

LUXONIC

## **JOB VACANCY**

**Job Title:** Production Operator.

**Purpose:** Working in the Lighting Department assembling and wiring LED fittings.

**Role:**

The Production Operator will be located at the manufacturing facility in Basingstoke. During normal activities he/she will report directly to the Production Team Leader but will have daily interaction with the Production Supervisor.

As part of the role you will be required to:

- Assemble light fittings in accordance with BS EN 60598-1:2015.
- Use hand and battery operated tools; may be required to operate small machinery (training will be provided).
- Comply with Quality, Health & Safety & ISO standards.
- Be motivated and meet team targets.
- Work with and as part of a team.
- Understand and support new initiatives (5S, Lean Manufacturing).
- Work overtime when requested.

**The Candidate**

It is important to underline that this role is the first step in a career at Luxonic; the person must have:

- A good understanding of manufacturing and associated techniques (5S/Lean) or ability to learn quickly.
- Have a good level of manual dexterity, able to assemble small components to a high standard and have the ability to multi-task.
- Good communication skills .
- Ability to work on own or as part of a team .
- Excellent attendance level.

**Hours of Work:**

Monday to Thursday      08.00am – 16.30pm

Friday                      07.00am – 15.15pm

Please apply either in writing or by sending your CV and covering letter to Nick Potheary - Production Manager, [nickP@luxonic.co.uk](mailto:nickP@luxonic.co.uk)
